Green Tea Cleanser

This gentle cleanser creates a rich, foamy lather that heals and softens the skin. Each time you use it, you lather your skin with potent antioxidants like green tea leaves, CoQ10, and vitamin C. These antioxidants fight off the free radicals that cause dullness, sagging, and fine lines. This cleanser is also packed with healing botanicals like aloe vera, red algae, chamomile, and comfrey. It is appropriate for all skin types and should be used on a daily basis.

BENEFITS:

- Gently cleanses the skin while removing make-up and environmental buildup
- Assists in the prevention of skin cancer
- Helps treat acne, psoriasis, eczema, and other skin conditions
- Provides UV protectors that shield the skin from harmful radiation
- Reduces inflammation and puffiness
- Helps the skin maintain a vibrant and youthful glow

Apricot Exfoliator

The Apricot Exfoliator is a grapeseed oil-based scrub that combines a perfect blend of nutrients, antioxidants, UV protectors, and moisturizers to provide superior protection and gentle exfoliation. Apricot seeds gently stimulate the skin, leaving your face feeling smooth and refreshed. You'll invigorate dull and lifeless skin, brightening and smoothing out your complexion. It also contains collagen and elastin builders that prevent the appearance of wrinkles and fine lines.

BENEFITS:

- Provides deep cleansing for the face and neck
- Diminishes the sun's damaging effects
- Provides moisture and promotes regeneration of skin cells
- Reduces the appearance of fine lines, wrinkles, uneven texture, and irregular pigmentation
- Naturally boosts collagen and elastin
- Invigorates dull and lifeless skin

Eye Serum

The Eye Serum is formulated with all-natural extracts and proteins that work together to firm up and brighten your eye area. In just one application, you'll start to see a reduction in puffiness, bags, wrinkles, and dark circles. This serum works by strengthening your connective tissues and instantly reducing inflammation. It even contains UV protectors that shield the skin from further damage!

BENEFITS:

- Decreases the visibility of blood vessels near the eyes
- Visibly reduces dark circles and puffiness under the eyes
- Increases oxygenated blood flow to the eye area to decrease bluish discoloration and inflammation
- Stimulates the growth of healthy cells to keep skin looking youthfully vibrant
- Protects the skin from harmful UV rays that contribute to premature aging
- Prevents age spots and melanin formulation
- Hydrates and soothes the skin to diminish the appearance of fine lines and wrinkles

Toner Spray

This natural, botanical Toner Spray helps refresh the skin and leaves your face feeling silky smooth. It combines the healing powers of aloe vera, white oak bark extract, witch hazel, comfrey, hyaluronate, peppermint, and chamomile! You can use the Toner Spray before applying makeup, after hitting the gym, or at any point throughout the day to rejuvenate the skin and soften the appearance of facial lines.

BENEFITS:

- Invigorates, hydrates, and refreshes the skin
- Enlivens the skin while softening the appearance of facial lines
- Sets makeup
- Provides a pick-me-up for dull or dehydrated skin
- Balances skin tone
- Clears the skin of excess oil without drying
- Neutralizes impurities
- Soothes sensitive, reactive skin to help heal a variety of skin conditions (acne, eczema, etc.).
- Prepares skin to better absorb other moisturizers

Masks

Green Clay Mask

This 30-minute mask absorbs excess oils, purifies the skin, and leaves you looking absolutely radiant! The green clay in this mask works as a poultice on the skin, removing all impurities and reducing the size of your pores. When you're done, you'll love how bright and smooth your skin looks!

BENEFITS:

- Actively absorbs excess oils
- Purifies and refines the texture of the skin
- Removes dead cells and imbedded impurities
- Identifies oily zones by darkening in oil-specific areas

Protein Lift Mask

This incredible mask contains natural egg protein, soy protein, bee pollen extract, and RNA factor for healthy, radiant skin. It has been uniquely formulated to fight wrinkles, firm the skin, and reduce the size of pores. Think of it as a natural alternative to face lift surgery!

BENEFITS:

- Reduces size of fine lines, wrinkles, and pores
- Perks up sagging skin

Moisturizers

Vitamin C Hydrator

The Vitamin C Hydrator is a superior moisturizer that contains vitamin C and hyaluronic acid – two major anti-aging compounds. Vitamin C helps boost healthy collagen production while hyaluronic acid improves your skin's elasticity and texture!

BENEFITS:

- Stimulates healthy cell renewal
- Reduces the appearance of fine lines and wrinkles
- Protect the skin from UV rays
- Prevents and reverses the appearance of aging

Apple Stem Cell Moisturizer

Apple stem cells are revolutionizing the skincare industry in ways you never would have imagined! This moisturizer combines these plant-derived stem cells with other anti-aging actives like antioxidants, anti-inflammatory botanicals, and UV protectors!

BENEFITS:

- Visibly reduces the appearance of aging
- Rejuvenates the skin's DNA
- Replenishes collagen and elastin
