

Attended Seminar – Didn't Schedule for Evaluation Emails
Week 5

SUBJECT: Supplements for Removing your Toxic Sludge

EMAIL: Hi (Name),

Keys to getting all of the toxic sludge out of your system lie within reach through Solutions4 Detoxification system.

Ever wanted to bust a cold before it could bust you?

We have the solution!

Check out Solutions4 Body Purifier!

This purifier utilizes all-natural ingredients to purify the blood stream, remove environmental chemicals, fight bacteria, destroy parasites and bring overall strength to the immune system.

There is also Solutions4 Intestinal Cleanser that works to increase bowel circulation, lubricate the intestinal track, relieve gas and pain, expel worms, improve liver and stomach function and reduce inflammation.

Add the third, Solutions4 Fiber Blend and in no time you will be feeling great again!

Fiber Blend utilizes both soluble and insoluble fiber to cleanse the bowels and intestines, overcome constipation, protect the intestinal canal from harmful bacteria and lower cholesterol.

All of these supplements are essential to the Club Reduce® detoxification program and are great to take on their own or with any other supplement.

The Body Purifier can be used to fight off colds when taken at the first sign of distress.

Prices and availability vary between clinic locations, so be sure to contact the clinic nearest you to purchase Solutions4 skin care products and supplementation.

We are still extending our Seminar Special, which gives you a One-on-One Weight Loss Evaluation for only (Office Price)!

A Personalized Weight Loss Evaluation typically costs (Price of Weight Loss Evaluation) so this is a discount of (Price of Coupon Discount).
