

Hi, get comfortable and enjoy this stress relieving massage you are about to receive.

I'm Dr. XXXX. Every day I see patients in my office that can't sleep, that often feel tired, and that can't lose weight or simply have no energy.

Why are more and more people suffering with these problems every year?

Well there are a lot of reasons why and they are different for each person.

Let's take weight loss, for example.

Most people who want to lose weight are trying very hard.

They exercise every day and try to eat the right foods.

Still, others have tried every fad diet.

There are those who just can't handle their food cravings.

Some of my patients get tired all day long.

Many patients can't sleep at night

Did you know that if your body can't get a good night's sleep, you won't be able to lose weight?

What are *your* particular concerns with weight loss or with your energy level?

I've had these same questions as I have tried to lose weight and gain more energy.

Fortunately, after years of researching and studying and working with these problems, I have some incredible information to share with you....that just doesn't get discussed.

I'm happy to say that I've discovered some amazing solutions....which have helped thousands of people finally lose their weight and/or get the energy they've needed.

There's a key to weight-loss and energy but nobody's talking about it.

I'd like to invite you to a free seminar where I'll reveal the shocking connection between hormone levels and rapid weight gain and energy loss.

The breakthrough information revealed at this seminar will teach you how you can conquer your weight problems and have the energy you need once and for all by getting control of your hormones.

A good chunk of your weight gain or energy loss may be due to something you've never heard about, but I'll be revealing it to you at this Amazing Free Weight Loss Seminar.

The seminar is held at my office in My City, USA.

By the way, this isn't my only offer for you today....

In our office, we perform detoxifying body wraps for cellulite reduction and inch loss.

These body wraps aren't like anything you've seen before. This amazing body wrap has been helping patients lose inches and reduce cellulite for over 25 years...it has withstood the test of time!

These incredible body wraps are \$85 each in my office.

But today only at this event, you'll receive this amazing inch loss and cellulite reduction wrap for free.

Let me explain how you can redeem that.

The person giving you the massage will be happy to give you your free coupon for the body wrap.

Then in order to redeem the coupon, you attend the free seminar that I just spoke about, and then after the seminar, you also schedule one-on-one weight loss and energy consultation with me. During that one-on-one consultation I'll personally address your energy or weight problems.

After that consultation with me, you present the coupon, and we'll schedule you for this amazing inch loss and cellulite reduction body wrap.

Just so you know, the one-on-one weight loss and energy consultation with me is normally \$125, and the body wrap is normally \$85. In fact if you call my office tomorrow, that's the price you'll have to pay.

But by simply participating in today's event, you'll get \$210 worth of these amazing services for free. Talk about some great savings.

Pretty great deal huh! Yep, I think so too! This is the first time I've ever made an offer like this!

Well I hope you've enjoyed this massage, and I hope you have the vision to take advantage of this amazing opportunity.

I look forward to seeing you at my seminar and in a consultation soon! I know you're going to love this body wrap and the results you receive!
