

Fresh Face Skin Care

Tone is a skin freshener and toner with antiseptic properties that help give greater health and color to the skin. Great for all types of skin by working not only as a hydrator and skin softener but as a natural anti-fungal and anti-biotic.

- Antiseptic properties help give greater health and color to the skin
- A skin freshener and toner under make-up
- Can be used as a spritz over make-up
- Aloe Toner invigorates and refreshes while neutralizing acne causing bacteria.

Suggested Use: Spray lightly over the face, neck and décolleté as needed.

Apple Stem Cell Moisturizer is changing the skin care industry in ways never before realized through the use of apple stem cells. By combining plant-derived stem cells with other anti-aging actives such as nutrients, antioxidants, anti-inflammatory botanicals and UV protectors, we can rejuvenate skin cell DNA, and literally give aging skin a fresh new start. Apple stem cells:

- Replenish new collagen and elastin
- Protect, prevent and repair aging skin cells
- Decrease in the appearance of wrinkles, particularly crow's feet

Our skin care line is Paraben free, Urea free, Sulfate free, artificial color free and perfume free. No toxic ingredients were used in producing this product. For all skin types.

Suggested Use: Gently massage a small amount of Stem Cell Moisturizer into clean skin until invisible. Keep out of eyes.
