To Prep for your spa treatments:

1. Do not use lotion or cream the day of your wrap
2. Don't shave the day of your wrap
3. Bring a bikini or bra and panties to wear during the wrap.
4. Do not shower within 6-8 hours after receiving the wrap to maximize results.
5. Inch loss (guaranteed at least 4-14 inches) is permanent as long as you are eating right and maintaining a healthy life style.
