**Educational Neuropathy Presentation**

*If you suffer from numbness or painful tingling of your feet with pin-like sensations, you may have Neuropathy.*

*Neuropathy is an abnormal and degenerative condition of the nervous system.*

*Common Neuropathy symptoms are:*

- 1. Numbness or insensitivity to pain or temperature*
- 2. Tingling, burning, or prickling sensations*
- 3. Sharp pains or cramps (or like walking on sponges)*
- 4. Extreme sensitivity to touch, even light touch*
- 5. Loss of balance and coordination*

*Dr. \_\_\_\_\_ will be explaining why you are having this problem and what you can do to reverse this degenerative nerve disease and eliminate your numbness, tingling and pain.*

*The seminar will be held:*
