I'm a patient at Club Reduce and I have loved my experience with this clinic. I thought you might be interested in some of the **FREE Seminars** and Diverse Services they have available...

Breakthrough Weight Loss	Kids Weight Loss
Family Weight Loss	Teen Weight Loss
Personal Training	Fibromyalgia
Diabetes/Blood Sugar Issues	Candida
Detoxification Programs	Body Wraps

By the way, if you decide to attend one of their FREE seminars, they give you the opportunity to sign up for a One-on-One Evaluation with the Doctor. If you just called the office to schedule, that One-on-One Evaluation is \$125.00. But if you attend the seminar and present this coupon, you'll get the One-on-One Evaluation for FREE! That's a \$125.00 Savings!

I hope this helps you like it has helped me!
