TREAT YOURSELF TO AN UNBELIEVABLE EXPERIENCE

[Your Clinic's Name Here]'s Inch Loss and Cellulite Reducing Body Wraps were developed by a UCLA Biochemist to encourage circulatory and lymphatic flow, causing a painless cleansing of the tissue. In turn, this cleansing of the body results in an allover inch loss of 4 to 14 inches per wrap!

Not only are these Body Wraps a great way to lose inches, they're also a great way to reverse the debilitating effects of cellulite! Cellulite is often described as a condition of uneven fat deposits, water, and other wastes that have become trapped in the connective tissues of the body, just below the surface of the skin. We all know it as cottage cheese thighs and orange peel skin, not flattering on anyone of any dress size. Thankfully, we know how to help you with that!

SO HOW CAN YOU TRY THIS AMAZING BODY WRAP FOR FREE?

Just **give us a call** or **visit our website** for more information! We'd love to help you lose those inches and eliminate your cellulite! You're going to love this wrap!
