A Teacher Appreciation Program will improve productivity while helping your teachers feel cared about...all at NO COST TO YOU!

“LUNCH AND LEARN”

During our “Lunch and Learn” sessions, a professional health representative from our clinic will come to your school. We will provide a healthy lunch FOR FREE while we explain to your teachers how to better take care of their bodies and improve their health.

“SEATED MASSAGE”

This program will give each of your teachers a seated back massage to help them relieve stress and make them feel not only indulged, but also appreciated by you! It's completely free and we even come to your school!

“FREE HEALTH SCREENINGS”

Our “Teacher Health Screening” program is second-to-none. We excel at delivering a much-needed service to your teachers: a private health screening FOR FREE! When health is a priority, performance improves.
