

## Why Are We Giving Free Massages Today?

We are from Club Reduce, Dr. XXXX's office. As a service to the public, we are here today to give quick free-stress relieving massages.

Every day in our office we see patients who can't sleep, who often feel tired, who can't lose weight or simply have no energy.

Why are more and more people suffering with these problems every year?

Well there are a lot of reasons why and they are different for each person.

Let's take weight loss, for example.

Most people who want to lose weight are trying very hard.

They exercise every day and try to eat the right foods.

Still, others have tried every fad diet.

There are those who just can't handle their food cravings.

Many patients get tired all day long.

Many patients can't sleep at night

Fortunately, after years of researching and studying and working with these problems, Dr. XXXX has some incredible information to share with you....that just doesn't get discussed.

He's discovered some amazing solutions....which have helped thousands of people finally lose their weight and/or get the energy they've needed.

There's a key to weight-loss and energy but nobody's talking about it.

We'd like to invite you to a free seminar where Dr. XXXX will reveal the shocking connection between hormone levels and rapid weight gain and energy loss.

The breakthrough information revealed at this seminar will teach you how you can conquer your weight problems and have the energy you need once and for all by getting control of your hormones.

A good chunk of your weight gain or energy loss may be due to something you've never heard about, but he'll be revealing it to you at this Amazing Free Weight Loss Seminar.

The seminar is held at our office in Your City.

By the way, this isn't our only offer for you today....

Since you took the time to stop by our booth, we want to tell you about another great offer.

**In our office, we perform detoxifying body wraps for cellulite reduction and inch loss.**

These body wraps aren't like anything you've seen before. This amazing body wrap has been helping patients lose inches and cellulite for over 25 years...it has withstood the test of time!

**These incredible body wraps are \$85 each in our office.**

**But today only at this show, you can buy a body wrap coupon for \$10.**

Here's how you can redeem that.

The person giving you the massage will be happy to take your \$10 payment for the body wrap. Once you pay them, they'll give you a coupon for the body wrap.

**Then in order to redeem the coupon, you attend the free seminar mentioned above. These seminars are held every week, so you will have plenty of opportunities to attend one. Then after the seminar, you also schedule a one-on-one weight loss and energy consultation with Dr. XXXX. During that one-on-one consultation he'll personally address your energy or weight problems.**

**After that consultation with Dr. XXXX, you present the coupon, and we'll schedule you for this amazing inch loss and cellulite reduction body wrap.**

Just so you know, the one-on-one weight loss and energy consultation with Dr. XXXX is normally \$125, and the body wrap is normally \$85. In fact if you call our office after you leave here, that's the price you'll have to pay.

**But if you schedule and pay the \$10 today, you'll get \$210 worth of these amazing services for only \$10. That's a \$200 savings.**

**Pretty great deal huh! We think so too! This is the first time Dr. XXXX has ever made an offer like this!**
