Congratulations on Your Decision to Take Control of Your Health and Your Weight!

We have helped thousands of patients discover true health!

Typically, patients come to us to lose weight. What they don't realize is that although they will lose their weight, the most exciting part of the journey is the renewed energy and zest for life they discover.

We have found that most patients have spent years of unhealthy living in order to gain their weight and arrive at the condition they are in when they come to us for help.

Just as it took years of unhealthy living to gain your weight, it will take time to get healthy and arrive at your goal weight. But don't worry, you'll see some quick progress too!

Our goal is to be your lifetime partner in your quest to lose your weight, then maintain your weight and finally remain healthy!

This is a process that is a lot of work...yet EXTREMELY rewarding.

Even though you have signed up for a program with a beginning date and an ending date, that is only for the first phase.

The first phase typically is to get you started on your weight loss journey. During this first phase, there are things you can expect from us and there are things we expect from you.

- Here are the 5 Things You Can Expect from Us:
 1. Detailed program guidelines to help you lose your weight
 2. Supplementation to help with dieter's nervousness and overall success
 3. Weekly visits to make sure you are on track
 4. Weekly phone calls in between visits to make sure you are on track
 5. Access to everyone on our staff that can assist you!
- Here are the 5 Things We Expect From You:
 1. Stick with all the program guidelines
 2. Record everything daily in your binder
 3. Show up for all your appointments
 4. Bring your binder with you to each visit
 5. Refer at least two patients to us every six months. (We have a message to spread!)

This is an exciting process. You will have ups and you may have downs. But we are here for you!

We are now your health partners for life, and we take this role very seriously!

Please communicate all of your concerns and needs to us. Our goal is to help you reach your goals!
Welcome to our Club Reduce Family!

Preferred Patient Referral Program

Each week in staff meeting we discuss our patients and how we can better serve them.

While all of our patients are important to us, some of our patients just make our work extra enjoyable!

You are one of those patients that we have singled out as “making our work extra enjoyable!”

We all look forward to your visits in our office, and quite frankly, we wish we had more patients JUST LIKE YOU!

Because of that, we have a “Preferred Patient Referral Program” implemented in our office called...

“We Want More Patients Like You!”

Here are some questions you might be asking:

What is Our Goal? To obtain more awesome patients that make our work enjoyable, like you do!

Why Would You Want to Participate? For every person that you refer that either attends one of our seminars or comes in for an evaluation, you’ll receive one of the following:

- ☐ \$25.00 Coupon for Products or Services in our Office
Or
- ☐ Free Chocolate Nutritional Shake (Yes, you could also choose Strawberry, Orange or Vanilla)
Or
- ☐ Free Body Wrap (Lose ½ Dress Size in one Wrap!)

Will This Be a Hassle for You to Participate in? No! Simply fill in the information on the back of this sheet with the names of the people that you think might be interested in some of our services. (You might not even be aware of all of the services we have available. Please see the back so you can see them all!)

Will We Be Bothering People You Refer? No! They will receive something in the mail...that’s all! All we need from you is the name and mailing address for the people you’d like to refer. (If you don’t have their address, we can search for it online.) We won’t call, email or bother your friends. We’ll simply send them something interesting in the mail. If they are interested, they’ll respond; if they aren’t, we won’t be contacting them by any other means!

How Many People Can You Refer? We’d love all the referrals you’d like to give! We’ve had some patients that have referred so many that they’ve had lots and lots of credit in our office for products and services. That makes us happy, you happy and your referred friends happy!

How Will You Know If Your Referrals Come in? We make a point to find out where every patient comes from, so we can thank you and get your referral bonuses to you!
