**You Pay**

Your signature below indicates that you understand the following: All sales are final. You are solely responsible for any treatment rendered in this office. All services rendered to you are charged directly to you, and you are personally responsible for payment. This office does not accept insurance of any kind. (Please advise us immediately if you are a Medicare patient, as we do not treat Medicare patients for services covered by Medicare.)

If you purchase this entire package, a discount may be given. You understanding that if the entire program isn't completed, the discount becomes void and the items and services rendered will be charged at the rates listed above.

If you move from the area before your program is completed, we will issue a store credit up to 3 months after the purchase date. The store credit will be good for any services not yet rendered that were scheduled to be performed after the date of your move. The amount of the store credit for those services will be given at the rate that was originally charged. If a discount was given, the credit will reflect that. All product sales are final and no refunds will be given, as you can and should continue to take the products.

When you are scheduled for a service or appointment, a room and employee are reserved for you. If you don't show up, the employee member and room assigned to you are not utilized, and resources are wasted. Therefore, if we do not have a 48-hour notice of cancellation for an appointment, you may still be charged for that service as if you had been here.

You authorize the staff to perform any necessary services needed during treatment.

You understand the above information and guarantee that this form was completed correctly to the best of your knowledge and understand it is your responsibility to inform this office of any changes to the information you have provided.

Your signature indicates that you understand these policies and that you will comply with the above requirements.

# **Preferred Patient Referral Program**

Each week in staff meeting we discuss our patients and how we can better serve them.

While all of our patients are important to us, some of our patients just make our work extra enjoyable!

You are one of those patients that we have singled out as “making our work extra enjoyable!”

We all look forward to your visits in our office, and quite frankly, we wish we had more patients JUST LIKE YOU!

Because of that, we have a “Preferred Patient Referral Program” implemented in our office called...

## **“We Want More Patients Like You!”**

Here are some questions you might be asking:

**What is Our Goal?** To obtain more awesome patients that make our work enjoyable, like you do!

**Why Would You Want to Participate?** For every person that you refer that either attends one of our seminars or comes in for an evaluation, you’ll receive one of the following:

- ☐ \$25.00 Coupon for Products or Services in our Office  
Or
- ☐ Free Chocolate Nutritional Shake (Yes, you could also choose Strawberry, Orange or Vanilla)  
Or
- ☐ Free SMT Session

**Will This Be a Hassle for You to Participate in?** No! Simply fill in the information on the back of this sheet with the names of the people that you think might be interested in some of our services. (You might not even be aware of all of the services we have available. Please see the back so you can see them all!)

**Will We Be Bothering People You Refer?** No! They will receive something in the mail...that’s all! All we need from you is the name and mailing address for the people you’d like to refer. (If you don’t have their address, we can search for it online.) We won’t call, email or bother your friends. We’ll simply send them something interesting in the mail. If they are interested, they’ll respond; if they aren’t, we won’t be contacting them by any other means!

**How Many People Can You Refer?** We’d love all the referrals you’d like to give! We’ve had some patients that have referred so many that they’ve had lots and lots of credit in our office for products and services. That makes us happy, you happy and your referred friends happy!

**How Will You Know If Your Referrals Come in?** We make a point to find out where every patient comes from, so we can thank you and get your referral bonuses to you!
