

anti-inflammatory gel

1.7 oz

Painful muscles and/or nerves are no fun for anyone! Cool things down with the Solutions4 Children's Anti-Inflammatory Gel. When massaged into the skin, this soothing cream will gently increase circulation and reduce the body's inflammatory response. It's perfect for kids who need a little help to resume an active life.

Tip: Apply to legs and feet when child is experiencing growing pangs.

This Product:

- Provides long-lasting natural pain relief by reactivating itself throughout the day
- Decreases swelling, inflammation, aches, and soreness of muscles and joints caused by injury, sprains, stiffness, arthritis, sciatica, rheumatic pain, and fibromyalgia
