

internal repair

90
v-caps

Your child uses the nutrients in food to grow, learn, and thrive. But what happens to what's leftover? Cue the elimination system! The ability to remove waste from the body is essential for a child's health. Solutions4 Children's Internal Repair helps to get rid of excess waste materials, toxins, and fluids that build up in the body – ensuring that nothing holds your child back from a lifetime of optimal health.

This Product:

- Breaks down encrustation of waste in the colon
- Restores the peristaltic action of the colon
- Relieves gas and pains in the bowels
- Expels toxins
- Acts as an anti-inflammatory in the gastrointestinal tract
- Improves function of the stomach and liver
- Lubricates the intestinal tract

Concentrated Formula Contains:

Marshmallow Root

Butternut Bark

Ginger Root

Oregon Grape Root

Cloves

Cascara Sagrada

Yellowdock Root

Fennel Seeds

Suggested Use: Administer to children who have a history of poor elimination and/or flatulence.

Dosing: If child is over 100 lbs, dose 2-6 capsules daily as suggested above

If child is under 100 lbs, dose 1-3 capsules as suggested above

Shelf Life: 7 years
