

intestinal cleanser

200
softgels

Keep things running smoothly in your household. Low fiber, poor diet, not drinking enough water or even just repeatedly ignoring the urge to go to the bathroom can cause big problems in little bodies. Solutions4 Intestinal Cleanser is a natural herbal tonic, that helps gently break things down for removal during cleansing, as well as on its own for effective and healthy elimination.

This Product:

- Breaks down encrustation of waste in the colon
- Restores the peristaltic action of the colon
- Relieves gas and pains in the bowels
- Expels toxins
- Acts as an anti-inflammatory in the gastrointestinal tract
- Improves function of the stomach and liver
- Lubricates the intestinal tract
