

## thyroid/adrenal support

60  
v-caps

Every parent knows that a well-balanced child is a happy child, but sometimes imbalances happen for reasons we don't fully understand. Solutions4 Children's Thyroid/Adrenal Support was developed for kids who have or are suspected of having a thyroid disorder. This adrenal-supporting formula helps to balance hormone levels so that your little one can focus on the most important thing – being a kid.

**This Product:**

- Restores the body's optimal thyroid hormone levels
- Alleviates the symptoms of thyroid disorders, such as weight gain, low energy, fatigue, decreased growth rate, muscle soreness, and depression
- Encourages T4 production (bacopa)

**Concentrated Formula Contains:**

Kelp	Ashwaganda	Bladderwrack
Bacopa	Coleus Forskohilii	Ginseng Siberian
Hops (Flower)	Rosemary	Shizandra (Root)
Sage (Leaf)		

**Suggested Use:** Administer daily as directed by a healthcare professional.

**Dosing:** Take 1 capsule daily or as suggested by a healthcare professional.

**Shelf Life:** 7 years
